

The Center for Educational Programs presents

HAWK STEAM ACADEMY

A Summer Day Camp

Dates

- Session 1 – World of Motion: June 10 – June 14, Monday-Friday, 9 a.m.-4 p.m.
- Session 2 – Robotics and Coding: June 17 – June 21, Monday-Friday, 9 a.m.-4 p.m.

Extended day options include 7:30 – 9 a.m. and 4 – 5:30 p.m. daily. Register your child at our website today.

Who

Rising 6th, 7th, and 8th grade students

About the Camp

Campers will become engineers and work in research and development teams as they explore Newton's laws of motion through interactive hands-on activities and learn the science and engineering design process while engaging in missions to solve real-world problems and more! Activities include arts-integration with science, technology, engineering, and math for designing, constructing and testing rotocopters, parachutes, balloon rockets, drones, and robotics. Campers also will meet and interact with STEM experts from a variety of industry, including NASA!

Cost

\$300 per session. Additional fee for Pre/Post Academy: \$50 Pre-Academy, \$50 Post-Academy. Registration is limited to 48 students per session.

- Employees and students of UHCL will receive a \$25 discount per camp to register their own children only.
- A limited number of partial scholarships will be provided for campers demonstrating financial need.

Registration/Contact

Camp registration is now open!
